

Jeff

She's testifying against me? You gotta stop this. I slept with her but that's as far as it goes.

Nicole

I'm offering you man one.

Jeff

What's that?

Nicole

Eight and a third to 25 years.

Jeff

For something I didn't do? Get the man in here to talk to me. I bet he knows what he's doing.

Nicole

If we go to court on murder two, it's going to be a lot worse. Look, I'm going to be straight with you Mr. Bergen, once the jury hears about the life that Fiona's lived, she becomes Goldilocks and you're the big bad wolf.

Jeff

Goldilocks? I know bartender who would disagree.
