

EXT. CHURCH FIELD - LATE AFTERNOON

Youth group kids play soccer while Allie sits in a camping chair sipping water and scrolling on her phone.

ALLIE
This is the life.

Tom walks up to Allie.

TOM
Hey, Allie.

Allie jumps since she wasn't paying a lick of attention.

ALLIE
Holy cow!

TOM
Wrong religion.

ALLIE
What?

TOM
There are no holy cows in Christianity.
In fact, it's pretty frowned upon.
There was a talking donkey, though.

ALLIE
Ahhh. Pretty sure that's from Shrek.

Tom laughs. Allie isn't joking.

TOM
So, what's your lesson on tonight?

ALLIE
Pastor didn't say anything about a lesson.

TOM
It's pretty normal. And you don't want any parents to pick up their kids when they're sweaty and gross.

ALLI

I'm not really familiar with any of this.

TOM

Oh, that's abundantly clear!

ALLI

Hey! - So, about this lesson. What would you teach on? Like Moses and the arc?

TOM

I know I'm not on staff yet, but would you like for me to teach the lesson tonight so you can get a refresher on how it's done?

ALLI

That would be great. (To the youth group) Yo! Inside!
