

EPISODE 30

INT. LEO BATHROOM - NIGHT

Leo looks at his text: "fire him" - a thumbs up appears. He washes his hands and through a crack in the door hears Gigi and Amy.

INT. LEO KITCHEN - NIGHT (INTERCUT)

GIGI

We have to talk about your husband.

Leo freezes.

GIGI (CONT'D)

I just want to say... I'm sorry that you got stuck married him.

AMY

Well I'M not! How dare you -

GIGI

Listen, Amy. I've never liked you. Not since college, not ever. I don't know WHY you were so desirable to all the men!

AMY

I --

GIGI

I bet you SLEPT with the CEO to get the deal, didn't you?

Leo looks pissed. He whispers into his phone.

LEO

Please get me all the information that you have on Gigi Martinez.

He waits, and then information pops up on his phone. He smiles, and exits the bathroom.

INT. LEO KITCHEN - NIGHT

GIGI

I think you should just divorce him and be done with it -

LEO
Having fun, ladies?

GIGI
I was just telling your wife that
she can do better than you.

Mark and Dave and Danika come out.

LEO
That's saying a lot, because HE
(points to Mark)
Can do better than you.

GIGI
What?

MARK
Be careful how you talk to her--

Leo shows a photo of Gigi with a MAN walking into a hotel.

LEO
Look familiar? That was 10 minutes
after you led ANOTHER man out of
those same doors.

GIGI
That's not me!!

DAVE
It looks like you.

GIGI
It was years ago!!

MARK
Bullshit! I just bought you that
dress!!!

GIGI
Mark, please! I can explain!!!

MARK
No! You can't! I'm leaving! DON'T
come with me!

He leaves and Gigi turns to Leo.

GIGI
YOU! You've ruined everything!!

AMY

You mean your dream of becoming a
rich man's wife?

GIGI

I'll get you, BOTH of you!

She runs out. Danika looks suspicious.

DANIKA

How did you find that information?

LEO

It's readily available on the
internet.

DANIKA

Is it?
